

## **Job Description**

To provide for the safe movement of children to and from school when crossing public roadways by observing gaps in the traffic and leading the children across the roadway. Work may also be performed at other special events. Work is performed independently with periodic checks by police officers at the location to which the School Crossing Guard is assigned.

School Crossing Guards shall be in physical condition that will permit adequate job performance. They must possess stamina to stand for long periods to escort pedestrians across streets; ability to work outside in all weather conditions and with exposure to traffic; vision to read materials and license plates, and hearing and speech to communicate in person.

The following is the job advertisement for the newspaper:
