

2018 Leaf Removal Schedule

As per the Town Ordinance on Storm Water Management, leaves are only allowed to be placed at curbside during the seven (7) days prior to a scheduled collection and shall not be placed closer than 10 feet from any storm drain inlet.

COLLECTION PROCEDURES & SAFETY TIPS:

- All leaves MUST be placed loose at the curb.
- Leaves should be ready for collection by 7:00 a.m. on the first day of your three scheduled pickups.
- Each street will be picked up once during each scheduled pickup.
- Debris is NOT to be put out or mixed with the leaves.
- Leaves mixed with branches or debris will NOT be picked up because they clog the Leaf Machines.
- Leaves shall NOT be placed closer than 15 feet to a stop sign.
- **DO NOT** allow children to play in leaves; drivers may be unable to see them.
- **DO NOT** park over leaf piles; your vehicles exhaust system may cause a fire.
- **DO NOT** rake leaves over storm drains; this will cause flooding and clogged drains.
- **DO NOT** place piles of leaves in front of any fire hydrants for the safety of you and your neighbors.
