

2007 Leaf Removal Schedule

Weather and the amount of leaves on the roadway will affect our ability to keep on schedule so please be patient if we are late – but remember we collect leaves from your street at least 3 times during the leaf season.

COLLECTION PROCEDURES & SAFETY TIPS:

- All leaves **MUST** be placed loose at the curb.
- Leaves should be ready for collection by 7:00 a.m. on the first day of your three scheduled pickups.
- Each street will be picked up once during each scheduled pickup.
- Debris is **NOT** to be put out or mixed with the leaves.
- Leaves mixed with branches or debris will **NOT** be picked up because they clog the Leaf Machines.
- **DO NOT** allow children to play in leaves; drivers may be unable to see them.
- **DO NOT** park over leaf piles; your vehicles exhaust system may cause a fire.
- **DO NOT** rake leaves over storm drains; this will cause flooding and clogged drains.
- **DO NOT** place piles of leaves in front of any fire hydrants for the safety of you and your neighbors.
