**Mayor's Comments**

Mayor Jasionowski reported that as of this afternoon at 3:00 pm, there are 61 confirmed cases of COVID-19 in the Township of River Vale. We have had one Township employee test positive with a very mild case. Fortunately, the employee is doing very well and will be allowed to return to work once cleared by their doctor and the Department of Health. Thanks to expert guidance by our Office of Emergency Management and Police Department, our administration put very strict precautions in place to protect both our employees and residents several weeks ago. Because of these precautions, this employee was never in contact with any residents nor other employees during the time they could have been contagious.

The Mayor assured that emergency services, and all other town services are operational and continue to support the residents of River Vale. We continue to implement and adhere to the CDC guidelines and any directives from the Governor. Our Police Department and EMS groups continue to do an amazing job by keeping up with the high demands and increased call volume. The Mayor urged the public to not call the Police Department unless it's an emergency.

Mayor Jasionowski reported that the good news is that the numbers for River Vale and the surrounding Towns appear to be slowing down. He stressed that we should stay diligent and hopes that we can return to normalcy soon. He encouraged everyone to wear a mask when going out, to only go out if necessary and stay safe.

He added that they are constantly monitoring this situation and will continue to provide updates.

**Council Comments**

Councilman Ben-Yishay had no comments.

Councilman Donovan wished all to stay healthy.

Councilwoman Sieg had no comments.

Councilman Criscuolo had no comments.

Council President Bromberg thanked all the First Responders and the Mayor for his diligence at making sure the Township is well prepared and taken care of.

He explained that even though we are going through this situation we still need to prepare for projects such as paving the roads. The Township will also be moving forward with repairing the Tennis Courts.

**Engineer's Report**

Mr. Statile complimented the Mayor for all that he has been doing for the community. He first reported that he is ready to go out to bid for the Road Program and is waiting on the budget. Mr. Statile's staff is working on the contract documents for the Veterans Memorial Park Project, the Poplar Road Safety Improvements project and the Miniature Golf Course.

Mr. Statile reported that the DOT is opening up their Grant Application Program for 2021. The Program is for Safe Roads to Transit and the applications are due in July.
