May 1, 2020

Dear River Vale Residents,

I understand that these past several weeks have been stressful. We are all anxious to resume our normal lives and we are slowly getting there. With the beautiful weather expected this weekend and the opportunity to visit local parks and golf courses, I want to be sure everyone is diligent in maintaining proper social distance and adhering to the CDC guidelines.

As of today, we have 105 confirmed cases of Coronavirus (COVID-19) and ten fatalities in the Township of River Vale. My thoughts and prayers continue to be with all of those who have been affected. Although the rate of increase has slowed, our numbers are unfortunately still on the rise. That is why it is still imperative that we continue to not gather in groups and stay at least six feet away from each other at all times. Please wear face masks in public places. Remember to frequently wash hands and use hand sanitizers. Children may forget these things. It may be good idea to use this as an opportunity to remind them.

While venturing out more and enjoying the Spring weather, we cannot lose sight of our own health and safety, as well as the health and safety of our neighbors, friends, family and community as a whole.

Thank you and have a safe and wonderful weekend!

Be Well,

Mayor Glen Jasionowski
