2020 Leaf Removal Schedule

As per the Town Ordinance on Storm Water Management, leaves are only allowed to be placed at curbside during the seven (7) days prior to a scheduled collection and shall not be placed closer than 10 feet from any storm drain inlet.

COLLECTION PROCEDURES & SAFETY TIPS:
- All leaves MUST be placed loose at the curb.
- Leaves should be ready for collection by 7:00 a.m. on the first day of your three scheduled pickups.
- Each street will be picked up once during each scheduled pickup.
- Debris is NOT to be put out or mixed with the leaves.
- Leaves mixed with branches or debris will NOT be picked up because they clog the Leaf Machines.
- Leaves shall NOT be placed closer than 15 feet to a sign.
- **DO NOT** allow children to play in leaves; drivers may be unable to see them.
- **DO NOT** park over leaf piles; your vehicles exhaust system may cause a fire.
- **DO NOT** rake leaves over storm drains; this will cause flooding and clogged drains.
- **DO NOT** place piles of leaves in front of any fire hydrants for the safety of you and your neighbors.

Weather and the amount of leaves on the roadway will affect our ability to keep on schedule—so please be patient if we are late—but remember we collect leaves from your street at least 3 times during the leaf season.

ZONE

October 13th - October 23rd
October 9th - November 13th

ZONE

October 14th - October 30th
November 16th - November 20th

ZONE

October 15th - November 27th
November 3rd - November 6th
November 23rd - November 27th

ZONE

HOMEOWNERS ARE RESPONSIBLE TO GIVE LANDSCAPERS A COPY OF THIS LEAF REMOVAL SCHEDULE.
